

Exercise Sheet

The diagram features a central circle with the text **The Circle of Fifths** in the middle. The circle is divided into 12 segments by concentric rings and radial lines. Surrounding the circle are 12 sets of musical staves, each consisting of a grand staff (treble and bass clefs) and a guitar staff (treble clef). The staves are arranged in a circular pattern, with each set corresponding to one of the 12 segments of the circle. The staves are empty, providing space for musical notation.
